

# Haiti 2010 Specific Guidelines

***Check the Friend Ships website at [www.friendships.org](http://www.friendships.org) / click on the Haiti Banner for a list of current needs.***

- † All supplies must be new or like new.
- † Shipments must be at least 10 pallets as described in the Packaging Instructions.
- † Vehicles: We are unable to ship vehicles to Haiti on this mission.
- † Clothing: Only new clothing is being received at this time.
- † Food: No perishable goods or expired goods are allowed.
- † Household Goods: New linens are acceptable. No furniture at this time.
- † Hygiene Supplies: Must be new.
- † Medical Equipment: A complete item by item inventory with condition noted must be sent to [haitiearthquake@friendships.org](mailto:haitiearthquake@friendships.org) for a decision on suitability. Some equipment may need to be crated prior to delivery.
- † Medical Supplies: No expired medications will be accepted. Must be six months prior to expiration date at time of shipping.
- † Paper products: Acceptable.
- † School Supplies: Must be new.
- † Toys: Must be new.

Friend Ships personnel will inspect supplies when they arrive at the shipping facility. If there are items that do not meet our criteria for shipment to Haiti, we will remove them from the load, notify the shipper and distribute/dispose of the items as appropriate.
